SkillsUSA: Champions at Work - Skilled and Motivated

WELCOME to the SkillsUSA Kentucky State Leadership Conference and Skills Championship. We are pleased you are here and hope this conference serves as the highlight of your involvement in SkillsUSA this year.

The 2012 SkillsUSA Kentucky conference is jam packed with 88 leadership and skills events that will allow all competitors to demonstrate what they have learned in their career and technical education programs.

Get ready – the next three days will be full of excitement, hard work, anticipation, and fun. It’s a journey to remember – so make the most of it and apply yourself in a positive and professional manner. We all make up SkillsUSA Kentucky – it’s who we are and what we do. And, that’s why we stand out - because we are motivated for success, involved, competitive, prepared, connected, and skilled! WE are “SkillsUSA: Champions at Work.”

We want to take this opportunity to thank all of our sponsors, contest chairs, advisors, instructors, administrators, judges, guests and especially our families for their time and effort in making this year’s state conference a reality. Without you, this conference would not be possible and we value your commitment to SkillsUSA. Thank you.

In conclusion, we want to recognize and thank all of the SkillsUSA Kentucky Chapters for their willingness to raise money for this year’s statewide community service project: The American Cancer Society-Steve Phillippi Scholarship Fund. Our SkillsUSA Kentucky family is awesome – at print, \$15,720 was pledged.
